**LOCAL LAW NO. 1 of 2018
VILLAGE OF TUXEDO PARK, NEW YORK**

**A LOCAL LAW AMENDING THE VILLAGE CODE CONCERNING THE
REGULATION OF THE USE OF RESIDENCE BUILDINGS WITHIN THE VILLAGE
FOR OTHER THAN PERMANENT RESIDENCE PURPOSES AND ADVERTISING OF
RESIDENCE BUILDINGS**

BE IT ENACTED by the Village Board of the Village of Tuxedo Park, Orange County, New York as follows:

Section 1. Purpose and Legislative Intent.

The Board of Trustees of the Village of Tuxedo Park (the “Village”) finds and determines that it is necessary to prevent the commercialization of the residential developments within the Village. The Village of Tuxedo Park, a product of its development as a sparsely populated village nestled in a rugged landscape with meandering roadways, and bestowed with a listing on the National Register of Historic Places, reflects a serene residential environment, in which security, tranquility and the absence of commercial or tourist activity or resources are vital elements of the fabric of the Village. The Board of Trustees finds that transient short-term rentals for commercial purposes are incompatible with the residential nature of the Village, and finds that the need for the regulating transient short-term commercial rentals is thereby of particular importance to the well-being and enjoyment of Village property owners, residents, and guests, and will ensure the tranquility, quietude, and continuance of the existing residential character they expect in this unique Village. The Board of Trustees further finds that transient short term rentals often do not provide for the additional and necessary building and fire safety measures typically required for commercial properties and thereby, endangering the safety of occupants, renters, and neighbors. The Board of Trustees further finds that short term rentals of residential property and the commercialization of residential developments reduces the quality of life in its neighborhoods and those residing in them, negatively affects the Village’s historical nature and unique neighborhood character, reduces cohesion in the Village, may reduce property values of certain residential properties, and may reduce the number of people who are invested in the neighborhood; and
